LIBROS

- S
364.4
KRL
Kelling, George L.
No más ventanas rotas : cómo restaurar el orden y reducir la delincuencia en nuestras comunidades . México : Instituto Cultural Ludwig von Mises, 2001.
- Un criminólogo y una antropóloga urbana se reúnen para mostrar en este libro cómo la ciudadanía y la policía pueden, trabajando juntos, restaurar con éxito el orden público y disminuir los actos delictivos en sus comunidades.
- 306.766
LOF
Loffreda, Beth.
Losing Matt Shepard : life and politics in the aftermath of anti-gay murder. New York, NY : Columbia University Press, 2000.
- The murder in October 1998 of a twenty-year-old gay University of Wyoming student ignited a media frenzy. The crime resonated deeply with America's bitter history of violence against minorities. Although the details of the tragedy are familiar to most people, the complex and ever-shifting contest of the killing is not. This title explores why the murder still haunts the U.S. -and why it should.
- 364.106
ROB
Robinson, Jeffrey.
The merger : the conglomeration of international organized crime. Woodstock, NY : Overlook Press, 2000.
- Robinson lays the criminal's fraternity's new world order. Through his research, the author has pin-pointed the factors that led to these global crime cartels -digital communication, world markets, the Internet-revealing how they have changed the face of crime forever.
- 364.135
TRA
Transnational crime and public security : challenges to Mexico and the United States . La Jolla, CA : Center for U.S.-Mexican Studies/University of California, San Diego, 2002. (U.S.-Mexico contemporary perspectives series ; 18)
- This volume seeks to answer questions like: principal characteristics of criminal enterprises, their impact on governments, societies and legitimate enterprises, how high a priority is this for the U.S., how well have present and past government initiatives worked and identifies a number of ideas legislators should be taking more seriously.

SITIOS DE INTERNET

Boston's Comprehensive Communities Program : A Case Study. George Kelling and Ann Marie Rocheleau. National Institute of Justice, March 2004.

<http://www.ncjrs.org/pdffiles1/nij/grants/204680.pdf>

This case study of Boston's CCP program was written as a result of site visits made to various CCP programs and interviews with CCP participants between September, 1995 and April, 1997. It also incorporates data from BOTEC's CCP Coalition Survey and Community Policing Survey, as well as information contained in federal and local documents and reports.

Crime Prevention Resources.

http://criminal.findlaw.com/crimes/crime_prevention.html

This section contains links to national crime prevention resources and those for every state. Included are organizations and programs with complete and valuable information to impact violence-related policies, programs, and practices.

Crime Prevention tips. New York Police Department

<http://www.nyc.gov/html/nypd/html/dcca/prevent.html>

Provides very useful information on how to safe guard yourself (for women), safe guard your property, safe guard your auto, and suggests safety tips for the taxi driver, the park enthusiast and visitors .

International Centre for the Prevention of Crime.

<http://www.crime-prevention-intl.org/>

The ICPC is an international forum for national governments, local authorities, public agencies, specialized institutions, and non-government organisations to exchange experience, consider emerging knowledge, and improve policies and programmes in crime prevention and community safety. The ICPC staff monitor developments, provide direct assistance to members, and contribute to public knowledge and understanding in the field.

National Citizen's Crime Prevention Campaign. We Prevent.Org,
<http://www.weprevent.org/>

The Campaign was the first public education program on crime prevention in the country. It is designed to stimulate community involvement and generate confidence in comprehensive crime prevention activities.

National Crime Prevention Council.
<http://www.ncpc.org/>

Mission is to enable people to create safer and more caring communities by addressing the causes of crime and violence and reducing the opportunities for crime to occur. It offers conferences, programs, public service advertising, publications and training, facilitation & technical assistance.

Partnership Against Violence Network.
<http://www.pavnet.org/>

Partnerships Against Violence Network is a "virtual library" of information about violence and youth-at-risk, representing data from different Federal agencies: Education, Agriculture, Justice, Defense, Human Health Services, Housing and Urban Development, Labor and National Crime Justice Reference Service.

Project Safe Neighborhoods. American Network Against Gun Violence. U.S. Department of Justice. Office of Justice Programs.
<http://www.psn.gov/index.asp>

Project Safe Neighborhoods is a nationwide commitment to reduce gun crime in America by networking existing local programs that target gun crime and providing those programs with additional tools necessary to be successful.

Safe Harbor: A School-Based Victim Assistance/Violence Prevention Program. U.S. Department of Justice. Office of Justice programs. Office for Victims of Crime.
http://www.ojp.usdoj.gov/ovc/publications/bulletins/safeharbor_2003/193464.pdf

This bulletin addresses both violence prevention and victim assistance in school-based settings. It also discusses the demographic and implementation differences in the school sites that are replicating the program and evaluations of the program's effectiveness.

Understanding Community Justice Partnerships: Assessing the Capacity To Partner.
Caterina G. Roman [et al]. National Institute of Justice, May 2003.
<http://www.ncjrs.org/pdffiles1/nij/grants/196552.pdf>

This reports reviews what is known about the role of community organizations in partnerships, and the myriad of contextual issues—social, economic, political and spatial—that challenge or foster their ability to effect positive change within partnership initiatives and synthesizes key dimensions and characteristics that embody partnership capacity.

United Nations Office on Drugs and Crime. The Commission on Crime Prevention and Criminal Justice.
http://www.unodc.org/unodc/en/crime_cicp_commission.html

The Centre supports the work of intergovernmental bodies which set out global strategy to prevent crime and promote stable criminal justice systems. The 40-member UN Commission on Crime Prevention and Criminal Justice formulates international policies and recommends activities in the field of crime control. It is the responsibility of the Centre to carry out the Commission's decisions. The Commission offers nations a forum for exchanging information and to settle on ways to fight crime on a global level. It also provides substantive direction for the periodic UN Congresses on the Prevention of Crime and the Treatment of Offenders.

Vigilancia de la Comunidad. Departamento de Seguridad Pública y Control de Delitos de Carolina del Norte.
http://www.gcc.state.nc.us/Crime_Prevention/espancommunitywatchbr.pdf

Este documento es un breve instructivo para organizar un programa de vigilancia de la comunidad para prevenir el crimen, en el cual participan ciudadanos que colaboran entre sí y con los organismos policiales para reducir los delitos y para evitar convertirse en víctimas en sus comunidades.
